

**OKLAHOMA DEPARTMENT OF ENVIRONMENTAL QUALITY
NOTICE- APPLICATION FILED**

Application filed. A solid waste Tier III variance request application has been filed with the Department of Environmental Quality (DEQ). Interested persons now have the opportunity to meet with DEQ and learn how and where they may participate in the permitting process.

Applicant: The applicant is Sooner Medical Waste Management, LLC located at 1753 South Caddo St., Muldrow, Oklahoma 74948

Type of final permit or permit action being sought: The applicant seeks to modify an existing permit.

Facility location: The Regulated Medical Waste Processing facility is Sooner Medical Waste Management, LLC located at 1753 S. Caddo St., Muldrow, Oklahoma 74948. See legal description below.*

Activities to be regulated if the application is approved: Requesting a variance from the requirements of OAC 252: 515-23-31(b) to allow acceptance of non-hazardous industrial wastes generated by nursing homes, clinics, hospitals, research facilities, laboratories, pharmacies/pharmaceutical manufacturers, and cultivators. Waste will include lab related waste, including lab pack; medical record; outdated and off-specification, or mislabeled over the counter medicines which are not hazardous in accordance with 40 CFR 261, Subpart C or D; pharmaceutical waste not identified in above, medical records or other non-hazardous industrial waste that requires the destruction of any personally identifiable information. Any storage, treatment, and/or disposal of all other wastes not authorized in this Permit is strictly prohibited. Additional waste stream from non-hazardous industrial waste will not affect the microbial inactivation of regulated medical waste being processed at Sooner Medical Waste Management facility.

Boundary Changes: Sooner Medical Waste Management is requesting lateral boundary expansion to the existent Boundary. The new permit boundary will increase the permitted area from 0.6 acres to 1.17 acres. Please see legal description of site below.

Statutes and Rules: DEQ will review the application for compliance with the Environmental Quality Code, including the Solid Waste Management Act, Title 27A of Oklahoma Statutes, Section 2-10-101, et seq., and the rules of the DEQ, Oklahoma Administrative Code, Title 252, Chapters 4 and 515.

Permitting procedures explained: On request, a representative of DEQ will chair a meeting to explain the steps of DEQ's permitting process to interested persons. If a meeting is requested, there will be discussion explaining when oral and written public comments can be made on the proposal. Administrative hearing opportunities will also be discussed. To request a process meeting, send a written request to DEQ representative named below within 30 days after the date this notice is published. Please note this not a meeting for protests. Its purpose is to advise interested persons on participation opportunities during the permitting process. For more information about this process meeting, please contact the DEQ representative named below.
